

**Configuration:**

LA-321-01 8-Unit Portable RF Product Charging/Carrying Case (North America)\*

LA-321-02 8-Unit Portable RF Product Charging/Carrying Case (Asia, UK)\*

LA-321-03 8-Unit Portable RF Product Charging/Carrying Case (Euro)\*

LA-321-04 8-Unit Portable RF Product Charging/Carrying Case (Australia)\*

\*01, 02, 03, and 04 designation refers to international plug type (type B, G, C, and I) for the power supply.

**Product Overview:**

The LA-321 8-unit drop-in charging case is designed to store and charge up to 8 portable Listen RF products (LT-700, LR-300, LR-400 or LR-500) Drop the units in the case, and they'll turn off automatically when fully charged. A power cable connects the case to a standard electrical outlet. It also has individual earphone storage slots to prevent cable tangling, and a large pocket to store the power supply, headsets, and/or additional items. The sleek, sturdy case has durable latches and includes a shoulder strap for easy transport. Use with NiMH batteries.

**Highlights:**

- Sturdy case with hard foam interior and durable latches
- Stores up to 8 receivers or portable transmitters
- Drop-in charging
- Pocket stores earphones and/or other accessories
- Earphones can remain attached to receivers during storage
- Case comes with keys and can be locked for security
- Detachable nylon carrying strap

**Includes:**

- One (1) LA-321 8-Unit Portable RF Product Charging/Carrying Case
- One (1) Shoulder Strap
